### **Application checklist**

- A short artist biography and statement
- An artist CV - no more than 2 pages
- An artist portfolio as a .pdf that includes no more than 10 artworks and includes the artworks' title, medium, year and dimensions. For moving image, performance, or sound artworks a 'still' must be included of the artwork in the portfolio and a link provided to viewable files on Vimeo, YouTube, or the applicant's website.

- Statement of availability. Few people are able to be full-time artists, particularly at the emerging stage. SAM acknowledges this and understands that applicants will have other commitments that will impact their availability to produce a new body of artwork within one year. The application will request that you outline your availability for the program, such as how many hours a week you devote to your studio practice currently, if you'll be able to increase that, and/or if you plan to include artwork already made or started.
