A photograph of two women smiling and talking at an event. The woman on the left is wearing a black top and a gold necklace. The woman on the right is wearing a colorful floral top and a black bag. They are both holding glasses, suggesting a social gathering. The background is slightly blurred, showing what appears to be an art gallery or museum setting.

Patrons Program

The SAM Patrons Program invites supporters to play a vital role in sustaining the museum's mission to be a vibrant, inclusive art museum that inspires creativity, forges meaningful connections, and transforms lives through cultural experiences.

Patrons enjoy exclusive benefits including behind-the-scenes access, private previews, curator-led tours, and special events throughout the year. Most importantly, patron contributions directly support exhibitions, educational programs, and conservation efforts that make our work possible.

By becoming a Patron, you join a dedicated group of advocates who believe in the power of museums to spark curiosity, preserve stories, and enrich lives for generations to come.
